U.S. Department  
of Veterans Affairs

Veterans Health  
Administration

**Pennsylvania Veterans**, you are invited to join VA Healthcare–VISN 4, a fully integrated network of nine VA campuses, 44 outpatient clinics, one mobile clinic and 17 vet centers.

By enrolling in VA health care, you are helping fellow Veterans because the U.S. Department of Veterans Affairs (VA) receives more resources from Congress every time another Veteran enrolls.

Even if you are in the VA health care system, you are not obligated to use all of it. If you have your own insurance and your own doctors, VA can work with them to manage your care.

You can receive VA medical center and outpatient care for any ailment, service connected or not if you are enrolled in the VA health care system, but you may have to pay a copayment for non-service connected illnesses or injuries.

A special call center has been set-up at Lebanon VA Medical Center (VAMC) to answer all your eligibility and enrollment questions as well as start your enrollment at the VA location closest to where you live.

Complete the application form (#595/DOT) and return it to:

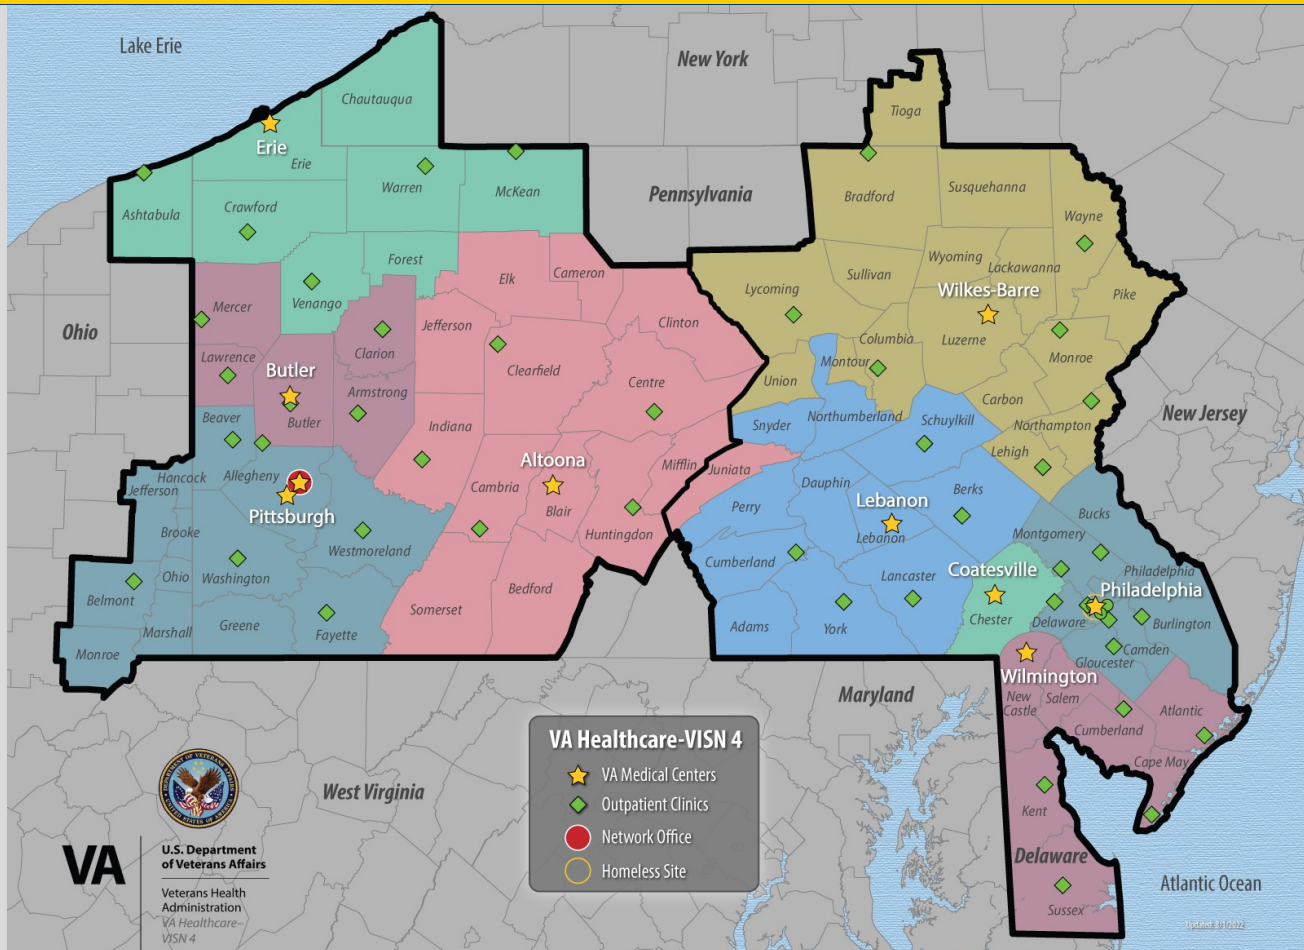

Lebanon VAMC Central Business Office  
1700 South Lincoln Avenue  
Lebanon, PA 17042

Or, fax to 717-228-6024 or 717-228-6196.

You may also call us and our team will help you over the phone.
